

How it all works!

Eligible children will be able to access 570 hours of free childcare per year. This can be offered by providers in many ways, including 15 hours per week term time or 11 hours per week across the full year. At Little Legends we will be providing funding on a full year offer at 11 hours per week.

Some children will become eligible at the beginning of the term following their second birthday, more detail about eligibility at two can be found at

<https://www.stockport.gov.uk/two-year-old-free-childcare>.

All children will be eligible for at least 11 hours of funded child care from the term following their third birthday.

Our fully funded spaces are offered our St Marys site for children accessing their 11/15 hours exclusively. At Greg Street we offer low-cost packages that are flexible to meet your needs whilst still allowing your child attending a partially funded session.

Please note that the weekly prices displayed above, are based on full weeks attended within any monthly period. Customers opting for a 'calendar monthly' invoice will experience small fluctuations as part weeks will be calculated on a pro rata basis. Customers opting for a 'standard order' invoice will experience larger fluctuations as the months are averaged whilst the funding is applied weekly. The nursery will endeavour to apply your child's funded hours to your account in a manner that minimises fluctuations.

Funded Spaces

At three years old some children will become eligible for an additional 15 hours, if you feel that your child may be eligible to the extended offer you will need to register for this in advance at www.childcarechoices.gov.uk. If you are eligible you will be provided with an individual code. The nursery will need this to be able to access your child's funding.

Children accessing more than 22 hours per week who are eligible for the extended offer will have the option of attending a fully funded space (limited optional available) or packages for half or full day sessions. Children will be required to attend a minimum of five half day sessions per week.

For children who are not eligible for the extended entitlement or who are accessing less than 22 hours and wishing to split their funding between providers, Little Legends is offering these 11 hour packages.
