

## How it all works!

Eligible children will be able to access 1140 hours of free childcare per year. This can be offered by providers in many ways, including 30 hours per week term time or 22 hours per week across the full year. At Little Legends we will be providing funding on a full year offer.

Children will become eligible at the beginning of the term following their third birthday.

Parents will need to register if they believe that they are eligible and this can be done at [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk) If eligible families will be provided with a code. The nursery will need this to be able to access your child's funding.

The eligibility criteria can be found on the reverse
